CARE & CLEANING

ROUTINE CLEANING

Vertical blinds are easy to care for. Occasional dusting with a feather duster or low suction vacuuming with a brush attachment is all that is needed to keep the blind looking new. They may also be gently cleaned with a soft cloth using an over-the-counter blind cleaner.

WARRANTY

LIFETIME LIMITED WARRANTY

Our vertical blinds carry a lifetime limited warranty that covers the blinds for as long as the original retail purchaser owns them, provided that the blinds were properly installed. It's the customer's assurance of satisfaction and quality.
